The following insight also applies easily to any number of people that are close to God and that have His wisdom: So I began to rebel once more against the worship of the gods, partly as before because it seemed to be a religion for the rich and not for the poor, but partly also because it seemed possible to be religious and yet to be swallowed up with thoughts of self, having no regard unto .  
I always walked with a pencil and paper, as I still do, just in case I get ideas. The old manna has become a cash cow to many and they are not pregnant with His Glory even though they are good at performing as if so. Upon this Artemidorus the Epicurean whom, because of his exact knowledge of medicine and his skilfulness in noting symptoms, Philemon would never exclude from his bed-chamber, even in his most superstitious moods—once more recommended Philemon to try the baths of the neighbouring city of Hierapolis, saying that it was not wise to despise remedies merely because they were near and easy and familiar.
