The Federal Government of the United States (U.S. Federal Government) is the national government of the United States, a federal republic in North America.

### **American Government - Wikiversity**

The Federal Government of the United States (U.S. Federal Government) is the national government of the United States, a federal republic in North America.

The government of the United States of America is federal in structure. In addition to a national government, there are fifty state governments.

What are the foundations of the U.S. political system? How do leading institutions such as the presidency and Congress operate? Where do public opinion.

The American Government examination covers the scope and emphasis of material that is usually taught in one-semester introductory courses in American.
