And yet there is still much work to do to better achieve democracy in our times, especially given the growing gaps between the wealthy and poor around the world in terms of income, opportunity, health care, and overall quality of life. Goodin, R'Rationality Redux: A Deweyan approach to citizenship education in America today.

Criminology, conversely, has frequently treated punishment as a technical. What conceptual resources can be deployed to support de-carceration and alternatives to prison? Advocates of liberal, individualistic approaches to democracy have typically elevated individual freedoms and rights above common goods, arguing that these goods themselves are always contested and that the best way to protect individual liberty is through minimal state intervention.

Preparing youth for participatory democracy. As Beane aptly notes, [c]riti Dewey, democracy is an evolving, creative, and cooperative way of life that must be nourished Reflective Democracy (Oxford Political Theory) schooling in order for it to survive. Developing an active, inquiry-based curriculum; using a problem-posing pedagogy; and organizing schools such that students develop habits of responsibility and social engagement provide our best hope for revitalizing democracy and for ensuring that it is not simply an empty slogan but a rich, participatory, justice-oriented way of life.
