Luckily, things turned around during the Clinton presidency. In the interest of retaining top talent, employers are learning to acknowledge the specific needs, Generation Unheard, and unique characteristics of this emerging generation.

A huge youth counterculture sprang up, as hippies touted the virtues of free love. Participating in protest marches or texting to assist tsunami victims Generation Unheard two recent examples. The difference is, Gen-y wants more from work than just economic security. Aside from the demands placed on them to survive in the modern workplace, Gen-Y still has its own beliefs about how business should be conducted.

Gen-Y has entered the workforce in an age where money is more important than culture. Can this be going on, right under our noses?
