The psychological positions of all the cast are overly mined, which makes this longer than it should have. That an artist would murder the child of a former lover because he destroyed a work of art she made for him and gave to him is just stupid. The issue of 'upperclass' titles is one that always seem to cause confusion. On to Missing Joseph. This is a genuine action, as, aside from revenge on Anthony, she kills Elena in the hope of reigniting her creative spirit. This fact throws a new light on the investigation.

However, Lynley is unable to stay away and is coming by to visit. This is a real issue from my having worked in that community.
