A white American woman goes to Africa to teach school and discovers an upside down world. It had been an instructive and rather painful experience to see it shown.

Feb26, Filiprateditlikedit. Journey Without Maps Part One.

There is crisp lovely evocative wrting, there are some interesting memory passages, and the descriptions of what he sees are fascinating. It's like listening to your favourite uncle tell a good story.

Greene'sdescriptionofajourneyintotheinteriorofLiberia.Few authors can offer such insight into the human condition as he can; however, this book was a struggle to get through and the few insights were buried in the countless pages of nothingness or at least nothing overtly memorable. These long breasts falling in flat bronze folds soon seemed more beautiful than the small rounded immature European breasts.
