The BritishItalians and Ethiopians partitioned Greater Somalia into spheres of influence, cutting into the previous nomadic grazing system and Somali civilizational network that connected port cities with those of the interior. Many similar battles were fought between the Adalites and the Solomonids with both sides achieving victory and suffering defeat

Moreover ultimately Sultan Sabr ad-Din II successfully managed to drive the Solomonic army out of Adal territory. On October 15, while paying an official visit to the northern town of Las Anod Shermarke was shot dead by one of his own bodyguards. Meanwhile, Italian troops began to pour into the sultanate in anticipation of a new offensive. After a violent confrontation Italian forces captured Ayl Eil which until then had remained in the hands of Hersi Boqor. Tauris, pp. 100-101.

The Italian force tried to recapture El-Buur but they were repulsed. The expedition already, Boqor Osman was playing for time.
