The tone is light, frequently wryly humorous, often curious,
but always allowing for movement and renewal; a rare
intelligence is at work which questions, worries, retreats,
adapts and restates. The situation, the constellation of
characters and the symbolical role of the work of art recall
Sansibar, but the larger scale of the later Biographische
Fetzen (German Edition) allows Andersch to analyse the
interaction of personal motivation and political duress with
much greater subtlety.
