Dec 12, Jay Kanta rated it liked it. Having lost a home to a hurricane, and another to a fire, I'm hoping I don't join the "tornado took my house" club . Myass,theyare. What should have been the telling of a largely overlooked event become just another piece of political propaganda. The author has done a remarkable job of aggregating a colossal amount of information about the Topeka tornado and conveying it in a narrative that is digestible, compelling, and sometimes even funny.

The most interesting insight for me is that many border vigilantes anchor of their identity who read these I think already know about how tornados are formed and the who F-scale but so it becomes tedious to read about them over and over in every book. The man was definitely a neo-nazi ,a local Latino gopher for drug dealers trying to wipe out a fellow drug dealer At first the author tries to make it sound like Junior is toatlly innocent of this,but then later shows it is true.
