I think this will really grasp the attention of students. I really like the solution "Capital I" comes up with to solve the mystery! Just a moment while we sign you in to your Goodreads account.

It was playing hide and seek. Use the guide above and the measurements provided. Awards the book has received: Oct 08, Rebecca Han rated it it was amazing Shelves: I would make a boat and tell the children that only capital letters can ride on the boat because it's their turn.

The best of it is that the child-friendly story logic draws on children's thin lowercase alphabet, led by their teacher Capital T scoured the river, streets, and city for the long lost dot, but to no avail.
