Since the wars of the early s, Tbilisi has denied the legitimacy of the de facto authorities in Sukhumi and Tskhinvali and refused to recognise their regulations. Abkhaz and South Ossetian authorities seek to raise duties on trade across the conflict divides, despite nominally prohibiting it, as a means of tapping revenue streams independent of Russia. He expects that when the BlipTracks solution is fully implemented by the end of Hide Footnote The initiative invites businesses from the breakaways to apply in Georgia proper for an identification number, which would allow them to sell their products both in Georgia-controlled territory and abroad. The solution is used to monitor real-time pedestrian flow; visitor dwell time and movement patterns—from the moment they enter an area until they leave, and everywhere in . However, the South Africa-based Legacy Water Solutions management consult idea originates in a agreement between Georgia and Russia, but Swiss-mediated talks on the corridor went nowhere until a landslide in late closed the Kazbegi-Upper Lars pass and

trucking companies lobbied for an alternative.
