Like Owen said, it was day by day if not moment by moment. Owen, by the way, is an anger management case, total music snob, and also painfully truthful.

Because a song can take you back instantly to a moment, or a place, or even a person. Same old, same old. While there are hundreds of possible strategies at your disposal, a few are absolutely critical. Out of all her books the synopsis of *Just Listen* appealed to me the most. I have to also mention a couple of characters whom I really liked. Does she want to discuss how I arrived at my conclusions?
