In the face of all the problems plaguing serious news, What Is Happening to News explores the crucial question of how journalism lost its way—and who is responsible for the ragged retreat from its great traditions. Meanwhile, nightly news programs shock viewers with stories of horrific crime and celebrity scandal, while the smug sarcasm and shouting of pundits like Glenn Beck and Keith Olbermann dominate cable television. Will rated it it was amazing Jul 22, While the book ostensibly leads us through the well-documented crisis and evolution of journalism, it is a bit of a disappointment. In his book Understanding Media Marshall McLuhan famously proclaimed that the medium is the message. Open Preview See a Problem? Changing the business model without changing the way journalism presents itself will not accomplish the mission. We are not the first to realize that distraction has altered our ability to think. Fuller is a member of that unlucky generation of journalists who were in charge when the online flood started to swamp the newspaper industry. Not all of them are obvious.
