The music of Latin America refers to music originating from Latin America, namely the Andean, Aymara and Quechuan cultures. After the nationalistic period of the 1930s, many musical genres became native to Chile; one of the most popular was the Colombian Andean. It has been strongly influenced by Spanish rhythms and.

Native American cultures often use specific melodies and rhythmic styles for specific dances in an additive meter based on 1/4 (or as 2/4 with an occasional 3/4 measure). They use drums equipped with snares and the buzzing sound of native clarinets. Many native cultures of Latin America use monophonic textures that are.
