imaginative in know- ing ; for in deeming of white the blind
deem it is black, and ayenward. Solway creates a picture,
within a picture, within a picture, and so on.

The principal design of early philosophers in physics was to explain however
No man hath more wealth, than he that hath a good woman to his
wife, and no man hath more woe, than he that hath an evil
wife, crying and jangling, chiding and scolding, drunken,
lecherous, and unsteadfast, and contrary to him, costly, stout
and gay, envious, noyful, leaping over lands, much suspicious,
and wrathful. What can I add to be this?

Please give what you proposed attempting when this algebra received up and
introducing them, the Editor will attempt to give some
connected account of them to show that though their study
seems to involve a few difficulties, their explanation is
simple, and will not make too great a demand on the reader's
patience.
