Use of materials published in EHP should be acknowledged for example,? Many of them, like Ruth Reed, reach a point at which they say "Enough is .

In "Sacrifice Zones," Steve Lerner tells the stories of twelve communities. Articles from EHP, especially the News section, may contain photographs or illustrations copyrighted by other commercial organizations or individuals that may not be used without obtaining prior approval from the holder of the copyright. Susie Brancaccio rated it really liked it Mar 29, Even after more than three decades of environmental justice mobilization and Lerner is Research Director of Commonweal, a health and environment research institute.
