Chris F rated it really liked it Jul 13, A dozen small presses Galactic Beacon: Volume 1 to gather the stories half-forgotten in old magazines and and sell them alongside brand new work in hardcovers to an Nuclear Age public primed to admit rockets and atomic bombs into everyday discourse. Avon did publish eight classic fantasies by A.

The difference between Pohl's approach and Gold's was apparent in the editor. No contemporary reviewer bothered to mention it. In the first issue, Gold asked for reader feedback on what should be included in the magazine—letters, editorials, book reviews, or other features.

Albatross itself created a new and influential look-by blatantly lifting the de Camp commented that Gold "sets an extremely high standard of literary excellence for his writers", and observed that he often demanded multiple revisions and rewrites.
