How I wrote my book in 60 days I knew what type of book I wanted to write: a non-fiction book for my business, a book that would encompass.

I'm currently writing my seventh non-fiction book with more planned, and my process is quite defined these days. I find writing non-fiction books.

Simple steps for writing a nonfiction book fast--in as little as 60 days.

A good book coach can also help you make some of these decisions. I have written 11 books and short reports --each in less than 60 days. In short, if you want to turn your desire into reality, dedicate time in a disciplined manner to your book-writing project.

I had to make sacrifices and get creative with my time, but you know what? You can transfer everything to an outline or simply work off of your wall of ideas. It is being. I am living proof.
