The action moves at a reasonable pace, and the writing is reasonably skilled. What character do you want to be? I thought the first book would really flesh out these happenings, unfortunately. And the author is a nice guy. When you click on a Sponsored Product ad, you will be taken to an Amazon detail page where you can learn more about the product and purchase it. There was a path and no excuse for it, except that the woods were a skeleton of branches that stood like bones against the milk spilled by the moon, and the abstract shadows they cast made you step faster than you should, before you were sure of the way.
