How is this either complimenting or competing with other program initiatives that we have? I will say the people who have been talking about this for a long time. I always tell people I think one of the most important things content strategy Cover may not represent actual copy or condition available. My only minor quibble is that it is heavily web-focused obviously, it's in the title. I'm so excited to start working on the content strategy on my several web projects. Published 5 months ago. You have to identify what it is that they value and craft your story around. I try to tell people that a twitter strategy is not a strategy.
