In the future sometime, I would definitely read the other books in this series. Please review your cart. The Varcolac's Diary was the cover.

This is a story about looking past differences, overcoming fears, and rediscovering. The story line was nothing new really, which is fine as long as it is done in a way that keeps me interested. I had the opportunity to read Charlie Sullivan and the Monster Hunters: The Barren Trilogy Box Set.

There was something about that illustration of the intrepid band of Monster Hunters. Sullivan and his band of new friends will be tested as they attempt to strengthen the magic that can lock the monsters and their evil prince away for good-even if the cost is their lives.
