No one doubts that Nicholas of Cusa and Leibniz were born and grew up in the territory of the Holy Roman Empire, or that German was their native language. Lutheranism, which shaped the German spirit more than any other factor. I repeatedly point to other achievements of German culture, particularly in the literature and the human sciences, that differ from the achievements of other cultures and that can easily be related to German philosophy. Enter the email address you signed up with and we'll email you a reset link. But the true reason why it makes sense to produce a new account of the history of I decided against doing so because Kierkegaard wrote nothing in German and cannot be understood by drawing on Kant and

Hegel alone, without knowledge of his specifically Danish environment. Be the first to review this item Would you like to tell us about a lower price?
