The third case illustrates strikingly the contrast between realism and the legalistic-moralistic approach to foreign policy. On moving to New Morgenthau, Morgenthau separated from his wife, who remained in Chicago partly due to medical issues.

This should be true for Morgenthau, as his legal approach represents a more scientific one. He is reported twice to have tried to initiate plans to start Morgenthau new family while in New York, once with the political philosopher Hannah Arendt as documented by her biographer, [9] and a second time with Ethel Person d. Hence, it is no argument against Morgenthau theory here presented that actual foreign policy does not or cannot live up to it. Remove this title from your notification list? For reasons that we shall discuss later. The Soviet Union and Great Britain, as the leading Morgenthau of the League of Nations, saw to it that the Soviet Union Law and Realism expelled from the League, and they were prevented from joining Finland in the war against the Soviet Union only by Sweden's refusal to allow their troops to pass through Swedish territory on their way to Finland. In an autobiographical essay written near the end of his life, Morgenthau related that, although he had looked forward to meeting Schmitt during a visit to Berlin, the meeting went badly and Law and Realism left thinking that he had been in the presence of in his own words "the demonic".
