Origin and Chart Information. In my book, "For all I know" means a very different thing, from "To For All We Know best of my knowledge" because the latter is used when the speaker believes it to be true but allows for the possibility that he may be wrong, while the former suggests that the speaker does not believe it, but that he suggests it as an absurd possibility that could not be contradicted by the facts he has on hand thus demonstrating how little he actually knows.

They've decided to hire Jack for all I know. Fred Coats at JazzBiographies. This is a supremely beautiful version of the song. After returning home, they recorded it, released it in December, and it went gold in only two months.
