The Lies of Spies: For those that prefer audio books you'll not be disappointed.

Back in the days of old okay, the mid-century writers could make money for a book. It's about a small-statured merchant on an island in the Pacific who's tough as hell and manages to defeat a bunch of pirates who come along to cause trouble. When you click on a Sponsored Product ad, you will be taken to an Amazon detail page where you can learn more about the product and purchase it. The second was The Cossacks, which I thought was pretty good.
