The video includes a comprehensive viewing guide, with templates for use in stations, suggestions for workshops built around the series, and answers to crucial questions about how to implement stations with older students. In addition, they explore the growing ability of older students to take on more responsibility for creating and maintaining stations.

Map-making, landscapes and memory: Howtowriteagreatreview. Throughout the year, Carolyn and Jennifer reflect on student performance, and work together to refine and tweak their classroom instruction to better meet the needs of the students. S75 A3 The last days of Dublin Castle: Her comments are frequently controversial and generate huge responses, such as her interview with a poet planning his suicide and a article on gay marriage.
