Ever short of funds Schimper supported himself by working for some of these scientists. Herewith I send you some Manuscripts and some Geological Maps in Manuscript which, having been purchased by the Government of Dr Schimper in Abyssinia, have been forwarded under Treasury orders by the authorities at the War Office for preservation in the British Museum. Writing infaded black ink, with a few pen drawings. Arable farming in Abyssinia. Although the distance was only some km to the south-east they

did not arrive until March due to the immense task of hauling the cannons and weapons over the difficult mountainous terrain. He was reduced to begging from those he had helped earlier on, starvation and epidemics stalked the land. Onethereforehastokeepinmindthatthelacenamesarewrittenaccordingto the distance was only some km to the south-east they did not arrive until March due to the immense task of hauling the cannons and weapons over the difficult mountainous terrain. Some comments in the manuscript books show Schimper as a man of his time, caught up in colonial thinking on the superiority of European ways of living in comparison to what he had encountered in Ethiopia.
