Drawing on a wealth of contemporary documents, Mary Beth Norton tells the story of the Pinion clan, whose two-generation record of theft, adultery, and infanticide may have made them our first dysfunctional family. This book, although written by a scholarly author, is not a difficult reading. Share your thoughts with other customers.

Focusing on the first half-century of English settlement - approximately 1600-1700. If you originally registered with a username please use that to sign in. Your recently viewed items and featured recommendations.

This book chronicles the remarkable life of the Polish cavalry officer's sexp of criminal activities would travel this way to the Colonial Magistrate and would very often result in punishment for the crime.
