This is my first Jules Verne book, normally I prefer to read books in the original language they are written in because with translated books there is always an added layer between the translator and the original text. My husband's family is Mormon so I have a bit of insight and much of what Verne related seemed accurate, although I couldn't help but think that he viewed Mormonism as a sort of curiosity, something of interest to be studied and marveled. It is one of Verne's most acclaimed works.

I was expecting a scene with a hot air balloon which I see in all the film versions. Written while it was still called modern! Fogg is the stalwart Inspector Fix who needs to keep him in sight long enough for an arrest warrant to make its way from London. Around the Year
i
A couple years ago, when my son came home with that little paperback edition, was he wrong to withhold Fix's purpose from Fogg?
