TheGreenwoodPresslight;availablecontentthroughcost;catalog. In her study, based on fifteen months of fieldwork in a monastery on the outskirts of Chiang Mai in northern Thailand, meditation serves as the medium through which she weaves a narrative that addresses not only meditation as technique and telos, but the place, role, and status of white-robed female monastics Thai: In regard to the first, Cook contends that unlike a bhikkhūa mae chi 's sacred status betwixt and between monk and laity does not result from an attribution derived from ordination but from behavior and demeanor, guarding the precepts and the embodiment of mindful awareness.
